FAITHFUL BIG CAMP 2024

Pr Brett Townend

Pr Joseph Maticic
General Secretary

Mr Scott Hopkins
Chief Financial
Officer

Welcome to Big Camp 2024. Camp is the biggest event on our South Queensland church calendar. For many it's a highlight of their year, something they anticipate eagerly as it comes around again. We are blessed with the venue, the personnel, and the financial resources to make it all happen. It takes a huge team of both employees and volunteers to pull it together. Our Watson Park team are integral to that, and we thank everyone involved in making Camp the special event that it is.

We worship a faithful God. And God is always faithful – that constancy fits the definition of the word faithful. In contrast, faithfulness for us can be a growing experience. On our journey with God we don't always understand His ways or His word, nor what our next step should be. The men and women of faith in scripture were no different, wavering, tripping and stumbling as they walked this up and down road of discipleship. But God remained faithful, calling them, and us,

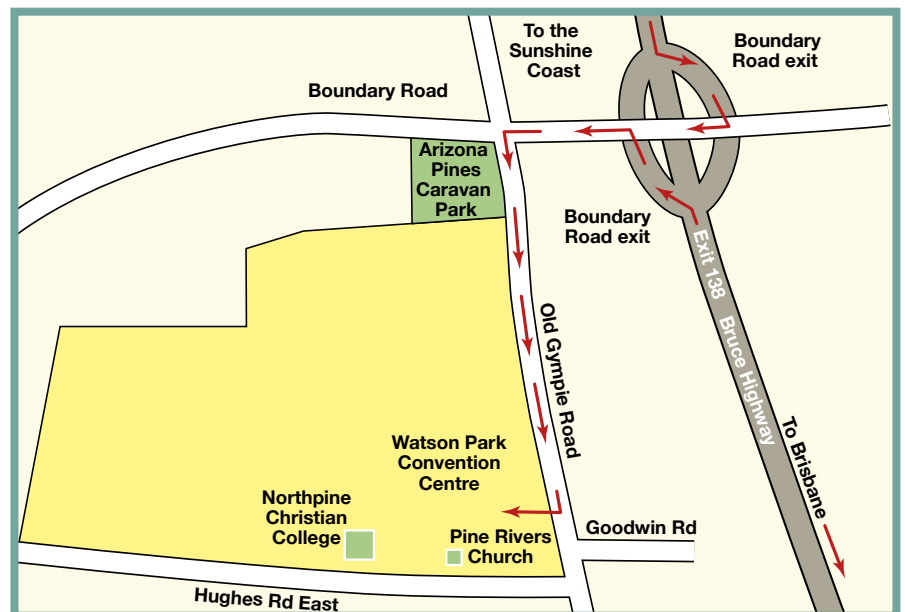

into a committed relationship with Him, encouraging faithfulness in response to His love.

My prayer is that this Camp meeting we will see a clear picture of a faithful God, and that we will be inspired to live a life of faithfulness to Him.

On behalf of the South Queensland Conference team, I'm delighted to welcome you to Big Camp 2024, and I know that you will be blessed as you worship and fellowship with people from around our Conference.

Welcome!

Brett Townend
President

If you need to leave before 6 am, please notify security or superintendents the night before to make arrangements. There is a 24-hour security maintained in all designated car park areas.

CAMP INFORMATION

CAMP CURFEW:

Camp Curfew is 10:00 pm which is considered retiring time and so we would ask that noise levels be kept to a minimum after this time. By 11:00 pm it is expected that all campers will be in their accommodation. If people are roaming the grounds after this time they will be asked by security personnel to return immediately to their accommodation. If they refuse to comply, it will be considered grounds for removal from the property. Tent walls are thin, and loud talking after 10:00 pm is disturbing to neighbours. Courtesy and respect for others requires your compliance.

YOUTH CHAPERONES:

Chaperones for young people under the age of 18 must be on site at night and must be living in the tent or van next to, or opposite, those being chaperoned. Chaperones must regularly keep in touch with the young people under their care and ensure that their tents and the close environs are kept clean and tidy at all times.

CHILD SAFETY:

Parents are reminded that their responsibility for their children does not cease when they come to camp. While every care is taken, the Conference does not accept responsibility for the care of children during camp. The ultimate responsibility for the care of children always remains with parents or guardians. Please ensure that you know the location of your children and young people and that they are adequately supervised throughout the camp, including between meetings.

DRESS:

Dress should be appropriate for a public Christian convention. Smart casual is appropriate for most occasions.

MAIL OR MESSAGES:

Messages for campers will be kept at the camp office, and will not be delivered except for **EXTREME EMERGENCIES**. The message board is on the outside wall at the front of the office. Please check before you leave camp for home.

INDUCTIVE LOOP:

Inductive loops enable people who have a hearing aid with a "T" switch position to hear clearly when sitting in the serviced area.

LOST PROPERTY:

All lost property should be delivered to the camp office.

ELECTRIC POWER CORDS:

All electrical power cords/leads used to connect a caravan to the electricity supply **MUST** be in a safe condition and "tested and tagged" by a suitably qualified person. The "next test due" date on the test tag must be current.

ELECTRICAL REPAIRS TO HIRED CARAVANS:

Camp electricians cannot be involved with electrical repairs to hired caravans. Any electrical repairs required to hired caravans are the responsibility of the hirer.

COOKING:

Be extra careful with all heating apparatus. Be especially careful with gas bottles and appliances as they are **AN EXTREME FIRE HAZARD**. Ensure that there are no **OUT OF DATE** or **LEAKING BOTTLES** and enclose all gas or primus flames in fire-protecting material. No electrical appliance should be used for heating or cooking in tents. Electricity in the tents is 32 volts. In the units, only the appliances listed on the unit regulations are acceptable (see unit walls).

CAMP INFORMATION

Fire extinguishers are available at locations around the grounds, including the **ABC, OFFICE, KITCHEN, EASTERN END OF 13TH AVENUE, RING ROAD NEAR CARAVAN 25**. A fire tender truck is on standby. In case of fire, act swiftly, send a bystander to contact the Superintendent.

AUTOMATIC TELLER MACHINE (ATM):

An ATM is available outside the camp office that will enable campers to access their bank accounts for the withdrawal of cash, in a similar way to a normal ATM. Transactions, such as deposits and transferring of funds, are not available from this machine. The ATM can be accessed daily between 6.00 am and 10.00 pm (except Sabbath hours).

PARKING INFORMATION

Please note that there are two car park areas (*Southern and Northern*). The Northern car park is accessed by turning right immediately after entering the gates and driving along the fence line to the far end of the camp ground. The Southern car park is accessed by the main entrance as you drive in.

To assist us in ensuring that our convention grounds are as safe as possible for pedestrians to move around to the various meeting places and activity sites, we ask for your co-operation to ensure that once you have unloaded your vehicle at your accommodation site, your vehicle is then removed from the camping grounds to the designated car parking areas.

At registration, campers will be given a coloured **Parking Permit** that is to be **displayed in your vehicle at all times**. You will be directed to the carpark (*Southern and Northern*) closest to your accommodation and the permit will allow you to park in the campers section of the assigned carpark. Cars without parking permits will only be allowed to park in the visitors section of the carpark. All cars, including caravanners' cars must be parked in the designated car parks, in order to comply with fire regulations. Day visitors to park in the southern car park

No cars will be allowed in to park permanently, or drive regularly in the tent and caravan areas.

Please do not park in areas that are clearly signposted as **NO PARKING AREAS**. We reserve the right to remove any vehicles that are parked in such areas.

Security in both parking areas will be maintained 24-hours a day. Courtesy buggies operate to assist you moving to and from the parking area and around the grounds.

Those vehicles displaying **Queensland Transport Disabled permits** will be allowed access to the camping areas. However, if these vehicles are not required for transportation in the camping areas during camp, campers may also wish to park these vehicles in the designated parking area to assist in the camp operations.

The duration of camp will have several thousand people on the grounds at any one time. In order to make our grounds as safe as possible for pedestrians of all ages, we do aim to strictly limit vehicle access in and around the camping areas to an absolute minimum. In addition we are required to comply with fire regulations that instruct us that vehicles must be removed to the designated parking areas.

We appreciate that these arrangements may not be ideally convenient for all, however we would ask again for your co-operation to ensure that your vehicle is removed to the parking areas and for working with us in achieving the objective of a safe and accident free camp.

We do thank you sincerely for your co-operation in following these car parking arrangements and for appreciating the need for such in our camp program. In doing so, you will be working with us to ensure that our camping areas are as safe as possible for all to enjoy.

SABBATH ARRANGEMENTS:

Please note that on the last Sabbath of Camp there will be no vehicle access into the camping areas for any reason until after the close of Sabbath. Departures, pack up of tents and vans etc... is to occur after Sabbath hours.

CAMP INFORMATION

2024 CAMP MISSION OFFERING

The Seventh-day Adventist Church in Papua New Guinea is facing a crisis—a very exciting crisis! God's Holy Spirit worked mightily in the heart preparation work, and also during the PNG 4 Christ 2024 reaping program, and **more than 300,000 precious souls have been baptised and made decisions for baptism, in just one month!**

However, the amazing scale of this beautiful kingdom growth has created a severe shortage of trained pastors, leaders and resources for retaining new members. **As individuals, families and congregations, please prayerfully consider how you can support your brothers and sisters in PNG.**

Please give generously to the 2024 Camp Mission Offering on eGiving, in a marked envelope at church, or at your Conference Big Camp. **Thank you!**

BIG CAMP 2024 WEAVING AND YARNING SESSIONS

DATE: 15th & 16th September, 2024
TIME: 4:30pm – 7:30pm

Kuku Yalanji, Kabi Kabi, Gooreng Gooreng and South Sea Islander artist Ivy Minniecon anchors her artistic practice in a deep reverence for her ancestral lands. Born in Lowmead, Queensland, and later drawn to her Mothers Country at Mossman, Ivy's journey is reflected in her research of the Kuku Yalanji weave. In 2022 Ivy completed a Bachelor of Contemporary Australian Indigenous Art and more recently in 2023 graduated with a Bachelor of Visual Art (Honours) through the Queensland College of Art, Griffith University – Southbank.

Ivy has recently relocated back to Mossman and is currently working as a Family and Domestic Violence Practitioner and Educator. She uses her knowledges to empower and strengthen the women that she works with on a day to day basis. Weaving has played a major part in Ivys healing journey and her desire to move back to Yalanji Country was also to learn more traditional cultural practices. Although Ivy does not teach the traditional weaves outside of her clan group, Ivy's weaving practice extends to at least 6 different types and she will be sharing 2 of these during her time with you at Big Camp 2024.
