## MISSION REFOCUS, BIG CAMP 2025

Pr Brett Townend  
President

Pr Joseph Maticic  
General Secretary

Mr Scott Hopkins  
Chief Financial  
Officer

Australia seems to be becoming an increasingly secular country. The last national census, 2021, showed that for the first time in our history, under 50% of the population identified as Christian. The number of actual Christians is also declining in real terms, not just as a percentage of the population.

This is challenging information for a church who understand that its mission is to make Disciples. The challenge was already huge, but it seems like we are actually going backwards in real terms. Two things will turn this around; the power of the Holy Spirit, and your witness to God's power in your own life. The privilege we have is to join our testimony with the power of the Holy Spirit as a witness to others. "You will receive power", and "you will be my witnesses" we are told in Acts 1:8.

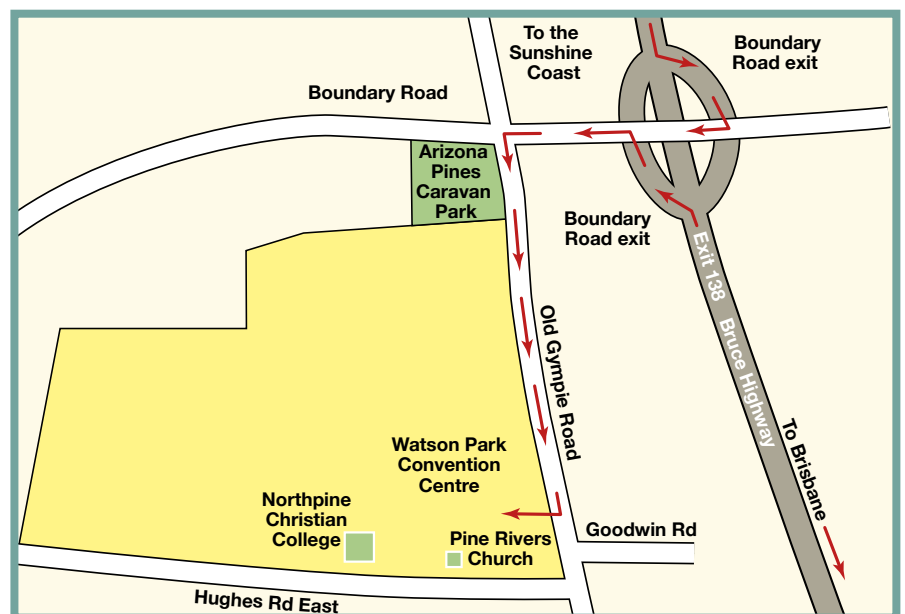

Our Camp Meeting is an opportunity for us to connect with each other, to meet family and friends, to make new friends, and to connect with God as we grow in a sense of the purpose that He has called us to.

My prayer is that during this Camp meeting we will see clearly the mission before us, and be inspired by the part He calls us to play in sharing love and hope to the world.

On behalf of the South Queensland Conference team, I'm glad you're here at Big Camp 2025, and I know that you will be blessed as you worship and fellowship with people from around our Conference.

Welcome!

**Brett Townend**  
President

His wife, Bettina—a fellow Australian—is editor of Liberty Magazine. Their daughter, Bethany, is a university student. ## 25+

### Pr Abner Campos

Abner Campos serves as the lead pastor of the Volunteer Park Seventh-Day Adventist Church. Born of Latin American immigrants and having lived in many environments with diverse groups of people, he is able to reach across ages, stages, and cultural groups to clearly communicate the love of God.

With a keen eye on the biblical text, Abner helps congregations grapple with the Word of God in the world of God. Recognizing the great challenges of the Christian experience, he aims to lift our gaze to the Risen Christ in the power of Spirit who works among us today.

Abner & Debbie live in the beautiful pacific Northwest Seattle and together they are building a life with their daughter Adelina.

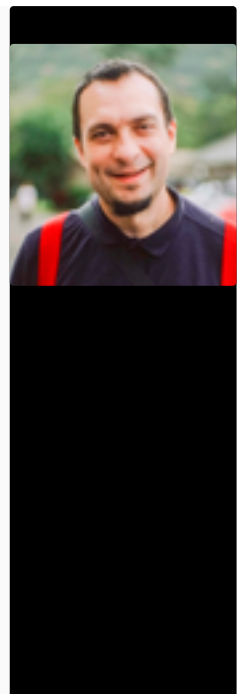

## Youth

### Pr Dejan Stojkovic

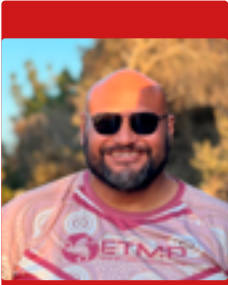

Dejan Stojkovic was born in Kragujevac, Serbia, where he grew up during the complex years of post-communist transition and regional conflict. Despite these challenges, his heart for ministry and love for Jesus continued to deepen. In 2001, he moved to England to study theology at Newbold College, where he completed both undergraduate and postgraduate degrees.

While at Newbold, Dejan launched the student-led worship service Experience, which became a catalyst for vibrant worship and spiritual renewal. He later served as youth pastor at Stanborough Park Church, where he established the Parallel Service—a creative outreach and reclamation ministry for youth and young adults.

In 2010, Dejan married Deana and together they are raising 4 beautiful children - Zara, Stefan, Ana and Filip. His mission in life is to prepare young people for the second coming of Jesus.

## Teens

### Pr David Leo

"Pastor David grew up right here in South Queensland, so coming back feels a bit like coming home. These days, he lives in Tasmania, where he serves as the Youth Director for the Seventh-day Adventist Church.

David is married and has three kids, aged 18, 14, and 11, but he still hasn't figured out how his teenage kids are so weird! He loved going to Big Camp when he was younger and can't wait to hang out with you, share some epic stories about Jesus, and have some serious fun together.

He loves the outdoors, camping, and is always up for a game of sport. Especially if it involves a bit of friendly competition (especially handball). Whether you're into deep chats or just looking for someone to play run-it-straight with, Pastor David's the kind of speaker who's ready to do both.

Get ready for a week full of laughs, worship, and moments that he's hoping will change your life."

## Juniors

### Pr Simon Hutton

Hey there! I'm Pr Simo, and I'm excited to be hanging out with you at Big Camp!

I love spending time with my family, going 4WDing through the high country of Victoria, and camping under the stars. I also enjoy watching sports (except maybe underwater chess), especially anything that goes fast... race cars, motorbikes... you name it!

Over the years, I have worked as a designer, teacher, school chaplain, and in churches! These days, I help school chaplains across Victoria bring hope, fun, and Jesus to students.

One thing that I'm passionate about is helping people, especially young legends like you, discover how awesome it is to follow Jesus and be part of God's Kingdom Quest.

Let's do this!

# KEYNOTE SPEAKERS

## Primary

### Pr Terence Greenfield

Hi. My name is Terence and I'm a Pastor with the Greater Sydney Conference. I was born and raised in beautiful New Zealand—so yes, I've got a soft spot for Rugby, Basketball (and all sports really), but most importantly, God.

For five years I served as a school chaplain, and now I'm blessed to lead both Mountain View and Hurstville Seventh-day Adventist Churches. I have three great kids aged 16, 12, and 7, who keep me on my toes. More than anything, I love seeing kids and young people connect with God in real and powerful ways.

I'm looking forward to catching up with you all at Big Camp.

- Locate the generator in an area clear of fuels, dry grass or other combustible materials

## **CAMP CURFEW**

Camp Curfew is 10:00 pm which is considered retiring time and so we would ask that noise levels be kept to a minimum after this time. If people are roaming the grounds after this time they will be asked by security personnel to return immediately to their accommodation. Courtesy and respect for others requires your compliance.

The ultimate responsibility for the care of children always remains with parents or guardians. Please ensure that you know the location of your underage children and teens, and that they are always supervised throughout the entirety of camp.

# PARKING INFORMATION

Please note that there are two car park areas (*Southern and Northern*). The Northern car park is accessed by turning right immediately after entering the gates and driving along the fence line to the far end of the property. A guard is stationed at the entrance to this carpark. The Southern carpark is to the left and right of the entry road to reception.

At registration, campers will be given a coloured **Parking Permit** that is to be always **displayed in your vehicle**. You will be directed to the car park (*Southern or Northern*) closest to your accommodation and the permit will allow you to park in the campers' section of the assigned car park. Cars without parking permits will only be allowed to park in the visitors' section of the car park. All vehicles, including caravans, tow vehicles must be parked in the designated car parks, in order to comply with fire regulations.

To assist us in ensuring that our convention grounds are as safe as possible for pedestrians to move around to the various meeting places and activity sites, we ask for your co-operation to ensure that once you have unloaded your vehicle at your accommodation site, your vehicle is then removed from the camping grounds to the designated car parking areas, you have requested or been assigned.

No unauthorized vehicles will be allowed in to park permanently or drive regularly in the tent and caravan areas.

Please do not park in areas that are clearly signposted as **NO PARKING AREAS**. We reserve the right to remove any vehicles that are parked in such areas.

Security in both parking areas will be maintained 24 hours a day. Courtesy buggies operate to assist you moving to and from the parking area and around the grounds.

Once camp commences at sunset on the first Friday, and until sunset on the second Saturday, no vehicular traffic to your camping/unit accommodation will be allowed. If you wish to pack up and leave, arrangements for this must be organised with the duty superintendent. If you are in a caravan and wish to leave (apart from the last Sabbath - see **SABBATH ARRANGEMENTS** below) arrangements can be made at reception who will notify the duty superintendent and security. A security/safety escort from your site will be provided.

Those vehicles displaying **Queensland Transport Disabled permits** will be allowed access to the camping areas. However, if these vehicles are not required for transportation in the camping areas during camp, it would

be appreciated if these vehicles can be parked in the designated parking area to assist in the camp operations.

During our camp program, we will have several thousand people on our grounds at any one time. To make our grounds as safe as possible for pedestrians of all ages, we do aim to strictly limit vehicle access in and around the camping areas to an absolute minimum. In addition, we are required to comply with fire regulations that instruct us that vehicles must be removed to the designated parking areas.

We appreciate that these arrangements may not be ideally convenient for all, however we would ask again for your co-operation to ensure that your vehicle is removed to the parking areas and for working with us in achieving the objective of a safe and accident-free camp.

We do thank you sincerely for your co-operation in following these car parking arrangements and for appreciating the need for such in our camp program. In doing so, you will be working with us to ensure that our camping areas are as safe as possible for all to enjoy.

**SABBATH ARRANGEMENTS** – The main entry gate off Old Gympie Road WILL BE closed at 8:30am and reopen at 11:00am, on both Sabbath mornings of Big Camp. There will be police enforcing this for safety reasons. Entry will only be via Hughes Road East to park on the ovals at the rear of the property. PWD permit holding vehicles will be allowed entry through Gate 1 and directed to park as close as possible to the family tent venue.

If you hold a valid parking permit for the property and find yourself outside the venue during this time you WILL NOT be allowed to enter through the main gate. You will enter, via Hughes Road East, and park where the parking attendants direct you. You can bring your car into your designated car park once the front gate opens at 11:00am.

It is advisable NOT to park on the footpath or road edge, Council parking Inspectors patrol Old Gympie Road during this event, and they will issue parking Infringements tickets.

ALSO NOTE: On the last Sabbath of Camp there will be no vehicle access into any of the camping areas, including caravans, for any reason until after the close of Sabbath. Should you require to leave on Sabbath the Superintendent on duty can arrange a buggy to assist with taking your belongings to your vehicle. There will be no exceptions.
